

## DANTE OPTION CARD UPGRADE PROGRAM

The new LM-DANTE-EXP2 Dante option card is a drop in replacement for the LM-DANTE-EXP. It features 96k capabilities and a secondary network port for redundant networks. More information can be found on the Digital Audio Labs website (after April 2nd).

Customers wishing to upgrade their existing Dante Card to the 96K version may do so through September 30th for an upgrade price of \$250. Customers who wish to upgrade will need to send us their LM-DANTE-EXP and we will upgrade it and send it back. Upgraded cards will be sent back with standard post unless specified. Expedited shipping is available for an additional fee.
