OVERVIEW

Mounts CS-SOLO/CS-DUO to a microphone stand

Dual position mount for top or pole positions

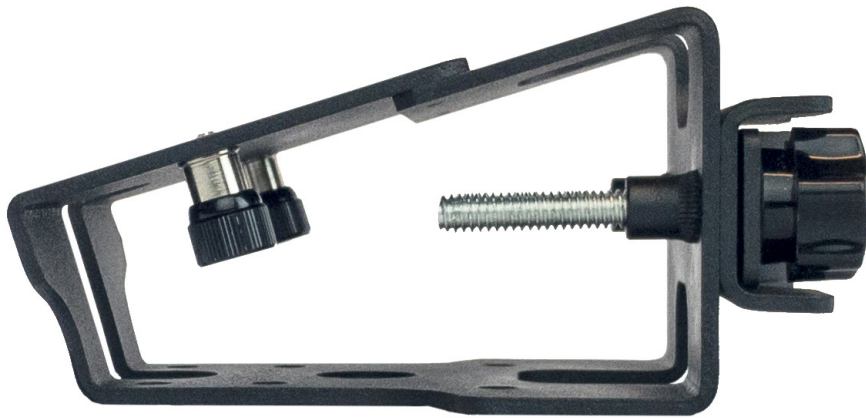

No tools required

Easy attaching and detaching

Rugged metal frame

The Livemix MT-1 microphone stand mount is a dual position mount for Livemix personal mixers. The MT-1 mounts on top of a microphone stand (with included brass locking nut). Use the built-in clamp to secure the mount to a microphone or music stand. The clamp fits pole diameters between 3/8" to 1/4".

The MT-1 connects to the CS-SOLO or CS-DUO personal mixer with attached thumbscrews; no tools necessary. When mounted in the pole position, the MT-1 features cable pass-throughs for clean cable management.
